

SIGGRAPH 2023
LOS ANGELES+ 6-10 AUG

THE PREMIER CONFERENCE & EXHIBITION ON
COMPUTER GRAPHICS & INTERACTIVE TECHNIQUES

**GROW WITH OUR
CONFERENCE**

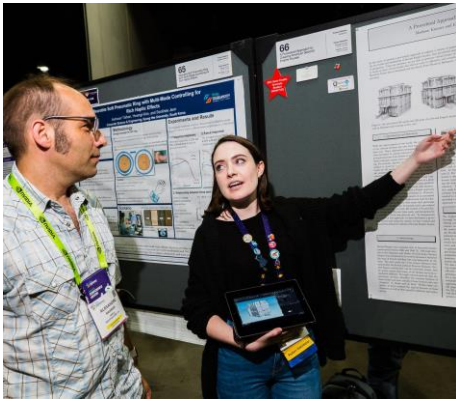

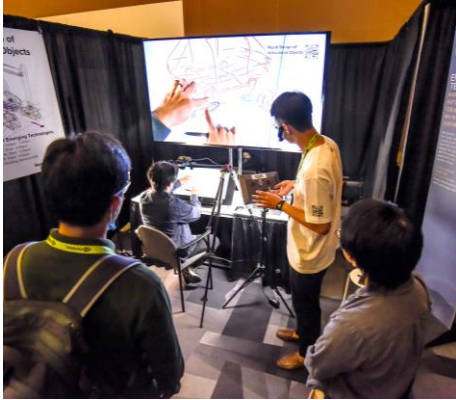

CONFERENCE OVERVIEW

SIGGRAPH 2023
LOS ANGELES+ 6-10 AUG

GET INSPIRED THIS AUGUST

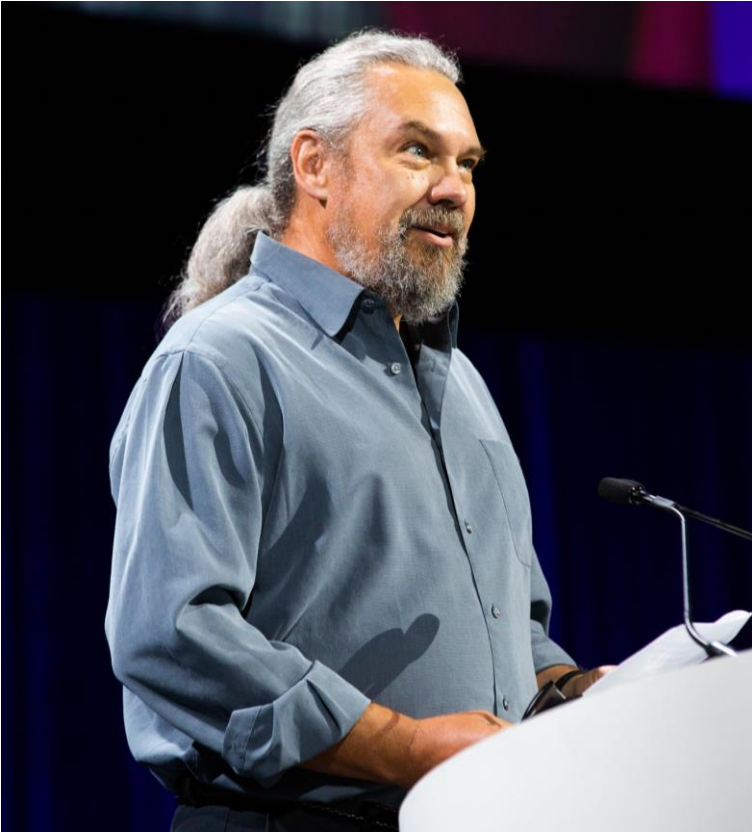

ACM SIGGRAPH is a special interest group within ACM, and SIGGRAPH 2023 is the premier conference for **computer graphics** and **interactive techniques** worldwide.

This year, we celebrate 50 years of SIGGRAPH conferences and reflect on half a century of discovery and advancement as we look ahead to a bold and limitless future.

- **When:** 6-10 August, 2023
- **Where:** Los Angeles + virtual access

→ WELCOME FROM OUR CONFERENCE CHAIR

ERIK BRUNVAND

*Celebrate computer graphics excellence at SIGGRAPH 2023. **You, our SIGGRAPH community, are the driving force of creative and technical energy.** You advance the ideas and successes of years' past to design the extraordinary future we have ahead of us. Attend in person or view livestreamed sessions virtually, and connect with your community of professionals turned lifelong friends.*

*This year, we celebrate our 50th conference. **We invite you to contribute your audacious ideas** in computer graphics, digital art, animation, visual effects, new realities, artificial intelligence, research, and more. I look forward to imagining and inventing our bold and bright future, together!*
